

We at St. Mary's church Honley and at St. George's Brockholes welcome children and want them to be safe, secure and happy when participating in church events, on our premises and with us.

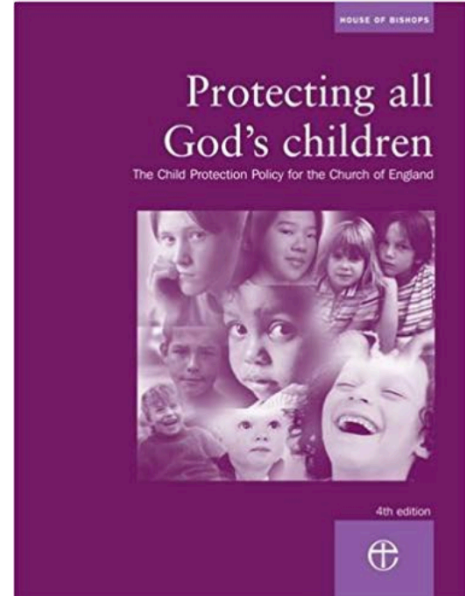

We will ensure their safety as we have adopted the House of Bishops' Child Protection Policy "Protecting all God's Children" and incorporated this into our own Church Policy, Practice and documents.

**A copy of this policy is kept in the Vicar's vestry**

If you have any concerns about any child's welfare please contact the Safeguarding Officer for St Mary's & St George's: **Mrs Cate Ashley**
