

Science and faith coming together
Honley CE (VC) Junior, Infants and Nursery School
Science, Technology, Engineering, Arts and Mathematics (STEAM) week
20th - 25th May 2019

Some 500 children were entertained as part of our Water of Life project. The week was organised by Richard Ashley and the Head, Linda Goodall. We covered a broad range of topics and each child visited the river and most undertook an especially prepared Prayer Walk.

Those involved were - From St Mary's: Revd Martin Short, Elizabeth Short, Angeline Baker, Richard Baker, Laurence Jones, Bill Kemp, Diana Kaye, Charles Kaye, Kate Walter, Kirsty James. From St George's: Kate Drake. Ministers: Revd Helen Roberts (Trinity, Honley), Revd Jenny Barnes, Revd Canon Debbie Plummer, Revd Sue Hopley and Professor John Playle (Holy Trinity Huddersfield). From elsewhere: Professor Steve Bottoms (University of Manchester). Simon Hirst and Jane Skilling (River Holme Connections, Holme Valley); Jeremy Benn Associates Trust and Yorkshire Water.
